Report Comments

Welcome to your Instructor Report for WashU Course Evaluations. Below you will find response data from your specified Fall 2016 course section. Responses to personalized questions appear at the bottom of the report.

The intention of this report is to provide feedback, and also to prompt improvement in areas that may be lacking. This report is accessible to appropriate department level and school level users, as determined by your school. We appreciate your dedication to our learning community at Washington University.

If you have questions or concerns about your report, please contact evals@wustl.edu

Please Note: In order to protect student anonymity, fall and spring reports are not generated for sections with fewer than 4 respondents.
